How do I Access Online Learning? (GradeResults, iReady, Encase, etc.)

Step 1:

- My child is logged in to his/her VWSD Chromebook:
 - ❑ With Google Chrome open, click on the folder labeled "vwsd.org bookmarks" located in the top left corner.
 - ❑ Scroll down and click on Clever Portal
- My child is using a personal device:
 - ❑ Go to www.clever.com
 - ❑ Scroll down and click on Student Log in.
 - ❑ Type in [school name] and select your school.

Step 2:

- Choose Sign-in-with Google.
- Select your VWSD email address. If your email address is not showing on the screen, type in your email address. The username is the student's MSIS number (example: 0012345678) @vwsd.org is already there for you.
- The password is your birthday. 2 digit month, 2 digit day, 4 digit year (example: 08172020)

Step 3:

- You are now in Clever! The apps teachers will be using have been placed on the Clever dashboard. You will select the app your teacher has assigned and will be automatically logged into your account within the app.

There is no need to log in to Grade Results, iReady, etc. through each app's website. Clever keeps all of the information you will need in one location and only regulates you to remember one password. If you have any problems, or need your child's MSIS number, please contact your child's teacher.
