Chrome book pick up procedures will vary from school to school. Please check your child's school website for specific instructions for pick-up at that school. You can access the site by visiting [www.vwsd.org](http://www.vwsd.org), selecting schools from the dropdown, and then choosing your child's school. If you have a child(ren) at more than one school, you must pick up a Chromebook at each child's school.

To ensure safety for all, each school will follow the guidelines listed below :

- Chrome books will be distributed curbside (Grab & Go) at each school.
- Parents/Guardians will only be allowed to sign out their own student's device.
- Parents/Guardians must present proof of identity (drivers license, passport, etc.) and sign the Guardian Responsibility Form when picking up a Chromebook.
- Parents/Guardians will not be allowed to enter the building for any reason.
