

# Blackshear Elementary Home Activities

*As always, our first priority is student and family safety. Please take care of yourselves! Below is a list of activities which can keep your students engaged and learning during this time.*

## Instructions

1. Students who complete BINGO (5 in a row diagonally, horizontally, or vertically) will be rewarded with 25 Buffalo Bucks (or tickets) per choice board.
2. Activities are included for those with and those without internet access. *Activities can be completed in an average of 15-20 minutes each.*
3. If you are unable to print and mark a choice board, you may keep a list of activities completed to earn your Bucks.
4. Please see the links below to access your grade level and subject. *We encourage all healthy students to complete BINGO on both choice boards for this week.*
